WORKING TOGETHER TO BUILD A BETTER COMMUNITY

# BRANDYWINE VALLEY Water Garden TOUR

T 610.380.1119

Greetings,

My name is Sarah Turpin and I represent the Brandywine Valley Water Garden Association. This organization sponsors a series of three events during the year that directly benefit the Chester County Food Bank. These events take the participants to some of the most beautiful gardens, ponds, patios, and landscapes in Chester County. Our objective through all of this is to raise funds and awareness for the Chester County Food Bank, whose mission is: "To provide food for those in need in Chester County while focusing on hunger's role in poverty, health and education." The funds that we raise go directly to help with educating the public, to build and maintain raised garden beds and ultimately to help feed the families in Chester County that otherwise would go hungry.

One of the key programs that our contributions directly support is the Food Bank's Backpack Program. This wonderful program serves over 1,600 low-income families and school students a month; providing a Friday afternoon bag of healthy non-perishable foods to help bridge the gap when there may not be food available at home. These nutritional bags of food include individual breakfast and lunch items for the students and other food items to feed the entire family so they will not feel the agony of hunger over the weekend.

In 2016 the Brandywine Valley Water Garden Tours raised \$17,000 for the Chester County Food Bank, bringing our total donations over the past seven years to over \$97,000! Our goal for 2017 is to increase that level of support to \$20,000. In order to reach our goal this year, we are reaching out to you for assistance, either financially or through your donation of goods or services for inclusion in our auction or raffle. All donations are tax deductible to the fullest extent allowed by law, but more importantly, they are greatly needed and very much appreciated.

I would like to thank you in advance for your consideration in joining our endeavor to help out local families in need; hunger does not discriminate. Feel free to contact me with any questions you may have regarding the events we sponsor. Please consider taking time to look at our websites to make an informed decision about donating to this worthy cause. All donations can be sent directly to Turpin Landscaping, or we can make arrangements to pick up the items at your location. I sincerely thank you for your time and I look forward to hearing from you at your earliest convenience.

Sincerely,

Sarah Turpin  
Event Coordinator
